**Usage:** Residential, EN31, EN 32

**Edge Detail:** Handcrafted Microbevel

**Warranty:** Lifetime Residential finish  
Lifetime Residential structural

3 year commercial finish  
10 year commercial structural

V3 - MODERATE BOARD VARIATION

## Color, Graining & Natural Changes

Wood is a natural product that features distinct color and graining. Each board is unique in its characteristics and will vary from piece to piece. The floor represents the natural visual characteristics of wood. Each board can vary from a clean to rustic visual and contain large to small filled knots, sap wood, small to large filled splits and a high contrast within the natural and lighter stained visuals.. These subtleties may become more distinct over time due to exposure to direct sunlight. Occasional rearranging of furniture and rugs will help reduce the potential effects of the sun.

Note: This sample may not be representative of your entire installed floor, for your reference and the latest updated information, please refer to [www.hallmarkfloors.com](http://www.hallmarkfloors.com) to see our online room scenes and project galleries.

## Maintenance

See Maintenance and Warranty Guide  
Carb II Compliant

## Installation

Nail Down

Glue Down

Float

Over Radiant Heat  
[EXCLUDING HICKORY]

Installs over: concrete, wood, vinyl floors and radiant heat systems. Above, on or below grade. See complete installation instructions.

## Trim Options

Stair Nose      Reducer  
T-molding      Quarter Round  
Threshold
