STATUARIO

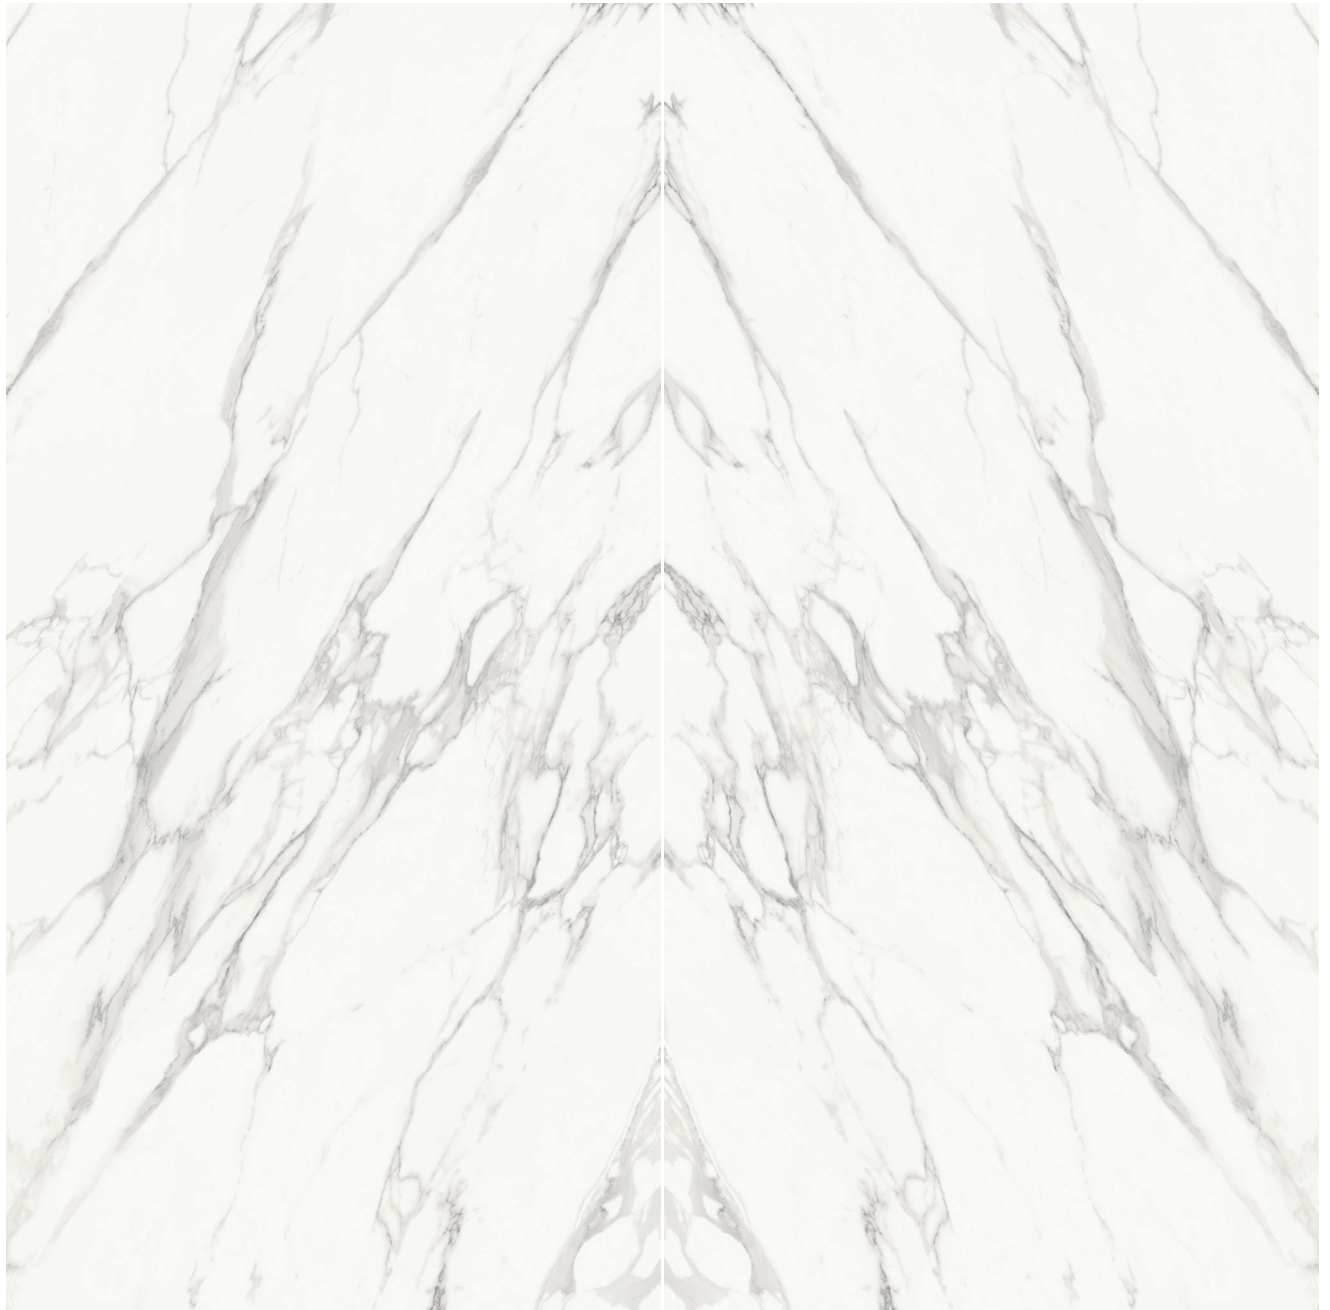

Michelangelo

***Statuario Michelangelo**, used in art for classical works, is one of the most prized marbles as the design of its vein patterns makes the texture harmonious and elegant.*

CALACATTA
Renoir

Calacatta Renoir is a decidedly typified and sought-after marble.
The vein becomes the absolute star with its movements in extension, sinuous and decorative.

QUARZO
Kandinsky

Quarzo Kandinsky is inspired by one of the loveliest, most ancient materials. The almost ivory background colour is pierced by warm, golden yellow vein patterns of varying intensity, which create evocative images of great beauty as they flow across the surface.

CALACATTA GOLD

Canova

Calacatta Gold Canova is inspired by one of the most highly prized Carrara marbles, used over the centuries in the most luxurious ornamental projects, since its gilded vein patterns create elegant, sumptuous surfaces.
