

RECOMMENDED AREAS OF USE

With regard to the durability of the bisque and glaze, this material is suitable for:

- All vertical applications - residential and commercial
- All interior wall and countertop
- Fireplace surround, hearth and firebox
- Light commercial flooring applications
- All exterior wall applications including building facades, swimming pools, fountains and outdoor kitchens, including regions that experience extreme weather conditions, subject to the method of installation

INSTALLATION AND MAINTENANCE

- Please refer to the TCNA handbook for installation method <http://www.tcnatile.com/>
- Always inspect material prior to installation, for color, shade, size, mounting, and any other deciding factors as installed material cannot be accepted for return or credit. Use signifies acceptance.
- Recommended Grout Joint: Minimum 1/8"
- Material can be cleaned with any mild nonabrasive household cleaning product due to the chemical resistant nature of the glaze.

MANDALA

6" Field & Pattern
