GLASSIQUE

COLLECTION

Glassique is a unique designer look in molten glass mosaics. This glass collection creates the image of semi-precious gemstones. Colors that create highlights and give focal points to any project. Geometric shapes that have the fluidity of water and some of these gem creations even sparkle with metallic accents. All hand crafted this glass will show imperfections such as wrinkles, waves, bubbles, and chipped edges, all designed to enhance your space with great character. This glass also is environmentally friendly, with over 30% recycled content.
